### Week of Fasting Prayer Guide

January 9-15, 2022

"I appeal to you therefore, brothers, by the mercies of God, to present your bodies as a living sacrifice, holy and acceptable to God, which is your spiritual worship."

#### Romans 12:1

#### **Sunday, January 9: Consecration** (Prayer service at the church at 6pm)

Today we're praying that we will be consecrated to God. Consecration means that we are set apart or totally devoted to His honor. Pray that God would cleanse us and empower us to remove anything that is holding back renewal, and that He would revive us, providing the momentum of His presence and favor in this new year.

#### **Monday, January 10: Church Culture** (Prayer service at the church at 7pm)

Today we're praying that our church culture will reflect God's Kingdom in the following ways:

Loving the Lost | Forgiveness/Mercy | Influence, Illumination, Invitation  
Fruitfulness in Hearing God's Word | Generosity | Humility | Prayer & Persistence  
Diligence/Alertness | Faithful Stewardship | Joyful Devotion

#### **Tuesday, January 11: The Next Generation** (Prayer service at the church at 7pm)

Today we're praying for the next generation of believers in our church: children, teens, and young adults. Pray that the Lord will bring them to sincere faith in Christ, that He will preserve them in the middle of the trials and temptations they face from culture and peers, that He will fill them with the Holy Spirit and embolden them to be witnesses, and that He will equip them with Spiritual Gifts and godly character, preparing them to become leaders in the church.

#### **Wednesday, January 12: Spiritual Gifts** (Prayer service at the church at 7pm)

Today we're praying for an outpouring of the Holy Spirit. Ask that God would give us Spiritual Gifts, teach and encourage us to use them, and anoint us (make us effective through the Holy Spirit) to minister to one another and to the world.

#### **Thursday, January 13: Impact in our Communities** (Prayer service at the church at 7pm)

Today we're praying that God would make us effective in reaching our communities. Pray for open doors and new opportunities to share the gospel. Pray for our annual outreaches, such as Vacation Bible School, the Fall Family Festival, the Singing Christmas Tree...Ask the Lord to give us new vision and creativity for reaching the Pioneer Valley with the Good News about Jesus!

#### **Friday, January 14: Families** (Prayer at home with your family. Prayer guides for this evening are available online and at the hospitality counter.)

Today we're praying for families, particularly families in our church. Ask God to strengthen marriages, giving husbands and wives understanding, patience, and forgiving spirits. Pray for reconciliation in broken relationships. Ask that parents would have wisdom and diligence to raise their children in the Lord and for children to respect and obey their parents.

#### **Saturday, January 15: Revival** (Saturday night prayer is held at 6pm in the Chapel)

Pray that God would send revival: a renewal of devotion to the Lord, and urgency in His mission. Ask Him for signs and wonders to be done to assist in spreading the Gospel. Ask Him for a renewed commitment among His people, especially to holiness and prayer. And ask Him to lead Bethany forward in growth and effectiveness in the new year.
